Sir:

Enclosed is a copy of the latest inventor-signed prior Application, including the copy of the Oath or Declaration showing the original signature or an indication that it was signed. The undersigned hereby verifies that the enclosed papers comprise a true copy of the latest signed prior Application Serial No. 09/828,911, and further that all statements made herein of his own knowledge are true, and were made with the knowledge that willful false statements or the like are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and such willful false statements may jeopardize the validity of the Application and any patent issuing thereon.

As amended by the Preliminary Amendment submitted herewith, the Application contains five (5) claims, one (1) of which is an independent claim, whereby a filing fee of

8553/212b

\$385.00 is required. Our check to cover same is submitted herewith. If in error, the Commissioner of Patents and Trademarks is authorized to credit or debit our Account No. 13-2000 as appropriate.

A Verified Statement to establish small entity status under 37 CFR §1.9 and §1.37 was filed in the prior Application Serial No. 09/828,911, and such status is proper and desired.

As set forth in the Preliminary Amendment submitted herewith, please cancel all claims in this Application except original Claims 1 and 2 and calculate the filing fee on the basis of the Preliminary Amendment.

The inventor of the invention claimed in this Application is Karel van den Berg.

As set forth in the Substitute Specification submitted herewith, please amend the Specification by inserting on page 1 between the title in line 1 and line 2 the following:
